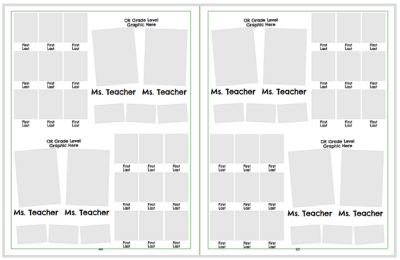
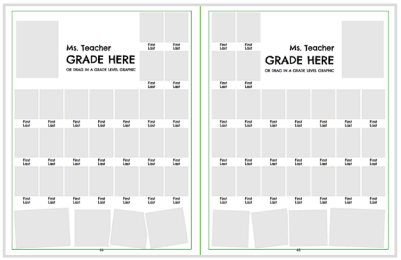
DSP EXCLUSIVE ART, TEMPLATES AND THEMES

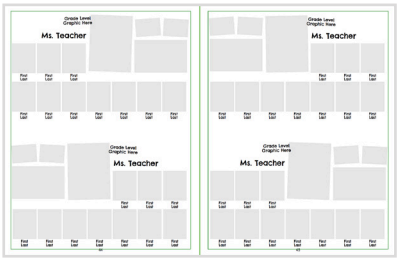
New DSP Art added regularly. See all of our exclusive art by navigating to DSP Art from the design panel.

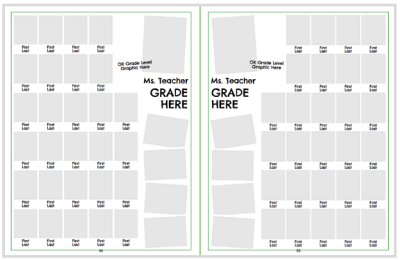
DSP BASIC TEMPLATES

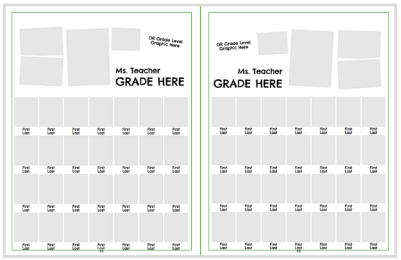
Our basic templates allow you to start with a simple layout and add your theme to your yearbook. We have included templates for staff pages, student portraits, clubs and sports, as well as candid/collage pages to make it easier for you to build your book. You can find these templates by searching "**DSP Basic**" or **navigating to dsp art> templates>dsp basics**.

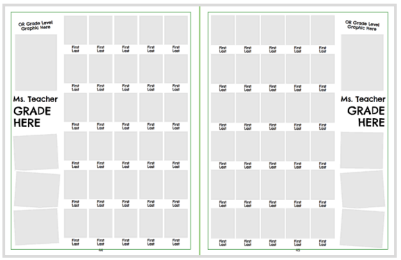


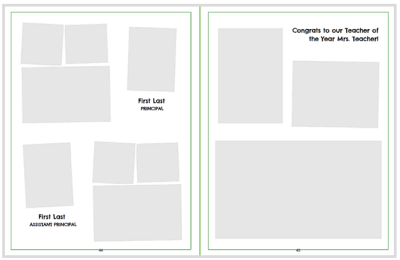


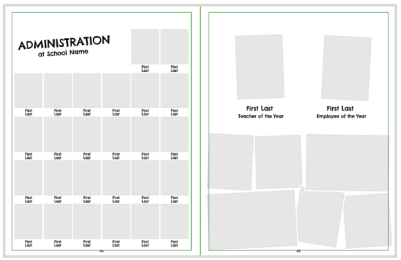


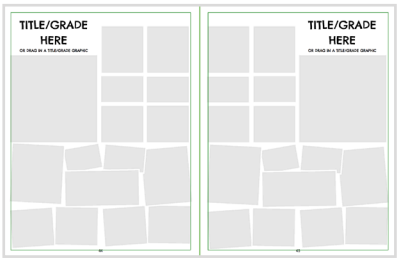


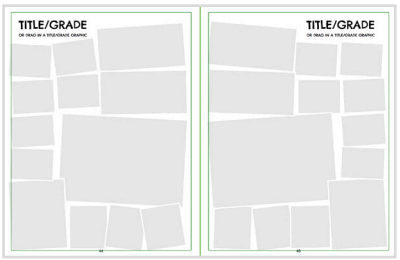


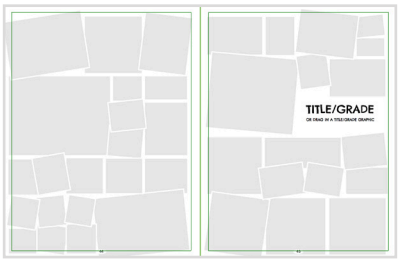


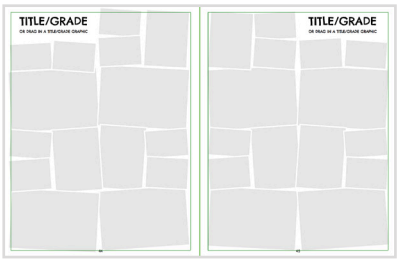




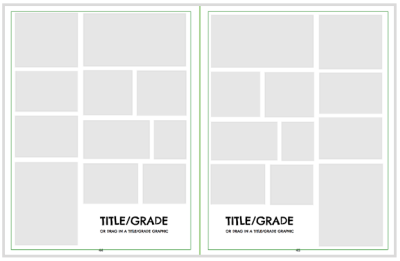


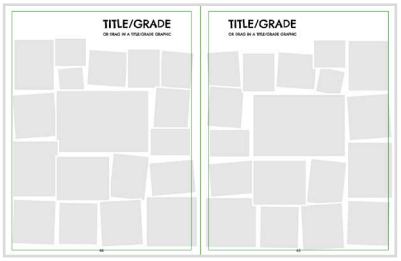


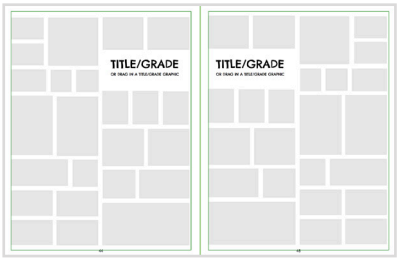


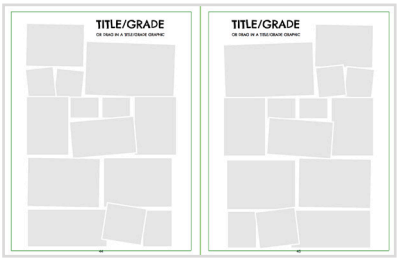


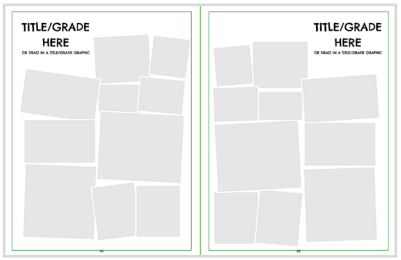
DSP BASIC TEMPLATES

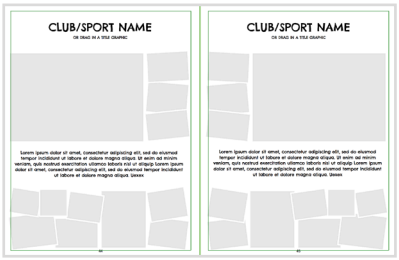


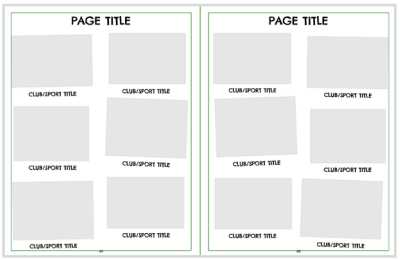


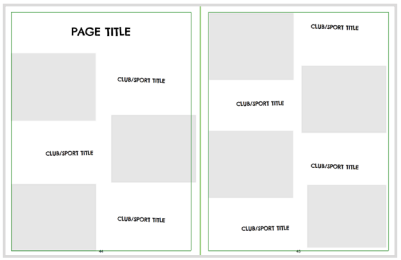


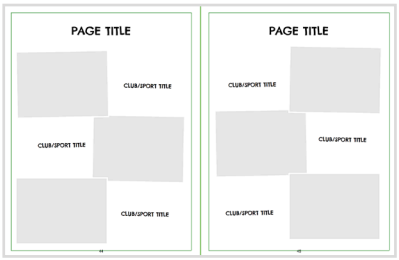


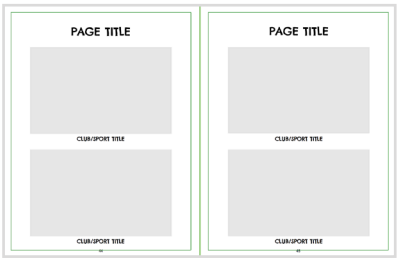


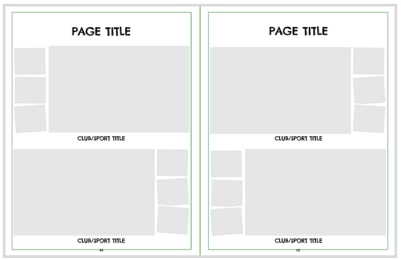












COLORFUL TEXTURES THEME

Wire One Header

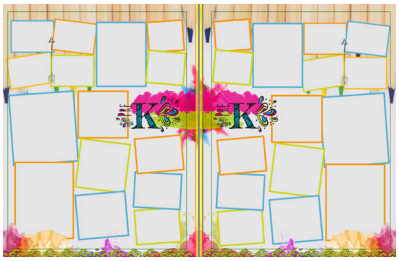
Cabin Sketch Subhead

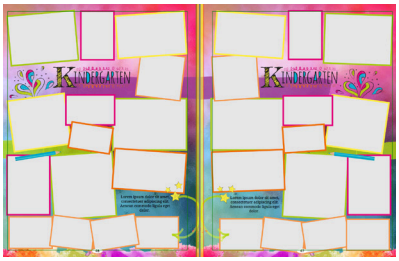
Droid Serif Body Text

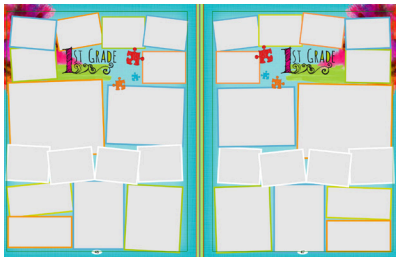
Droid Serif Caption Text

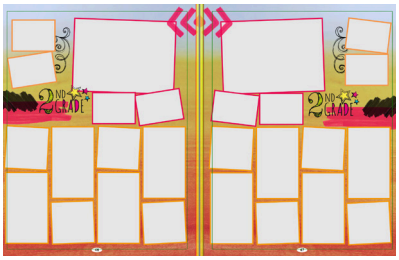
This colorful theme is the perfect way to incorporate some bright fun colors. You can find these templates by searching "**Colorful Textures**" or navigating to **dsp art> templates>colorful textures**. This theme utilizes our dsp uploaded backgrounds as well as pre-existing backgrounds and elements from Pictavo's Scribbles theme.

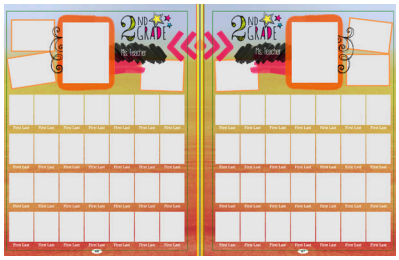
COLORFUL TEXTURES THEME

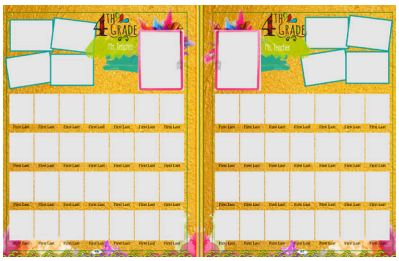












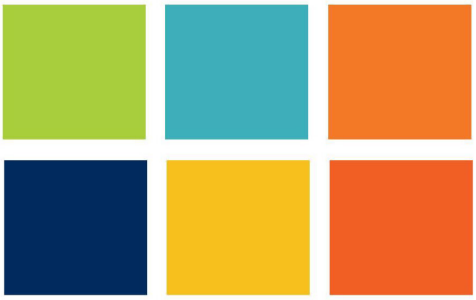
MODERN RAINFOREST THEME

Just Another Hand Header

AMATIC SC SKETCH SUBHEAD

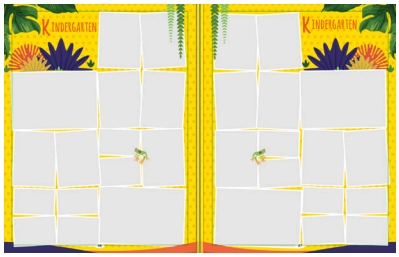
Quicksand Body Text

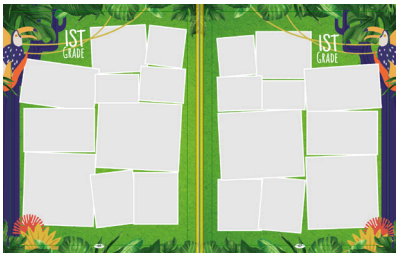
Quicksand Caption Text

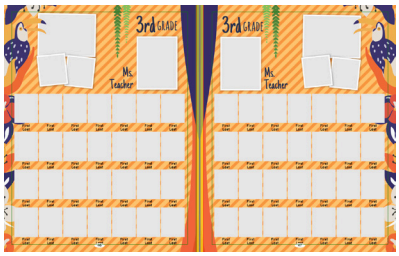


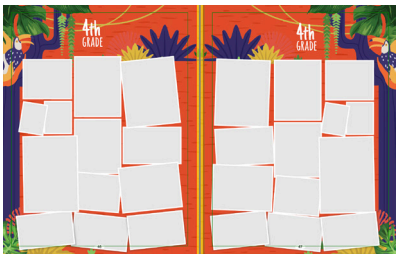
This fun modern rainforest theme will have you swinging from page to page. You can find these templates by searching "**Modern Rainforest**" or navigating to **dsp art> templates> modern rainforest**. To build your own templates, use Pictavo's "modern icon" themed backgrounds and our dsp rainforest art found by navigating to **dsp art> accents> modern rainforest**.

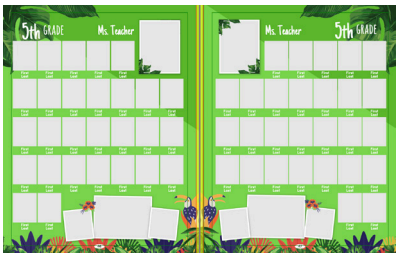
MODERN RAINFOREST THEME

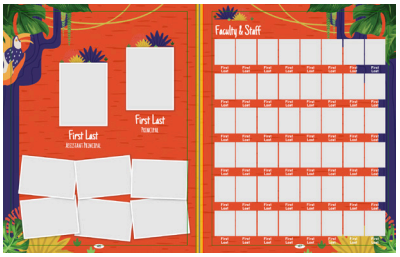












OUTER SPACE THEME

Anton Header

Roboto Slab Subhead

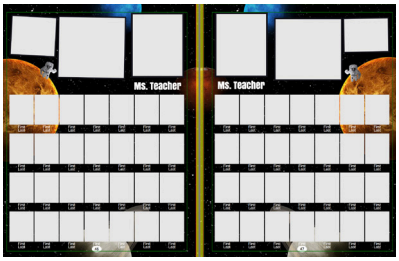
Raleway Body Text

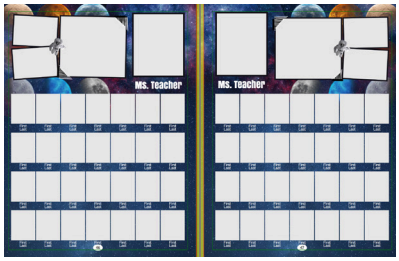
Raleway Caption Text

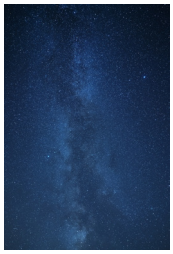
Make your yearbook design out of this world with Outer Space design elements. Use these assets, backgrounds and templates to create your outer space themed yearbook. You can find these templates by searching “**outer space**” or navigating to **dsp art> templates> outer space**. Find the assets by navigating to **dsp art> accents> outer space**.

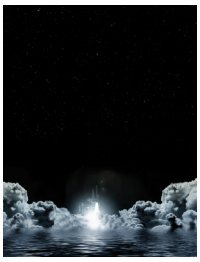
OUTER SPACE THEME

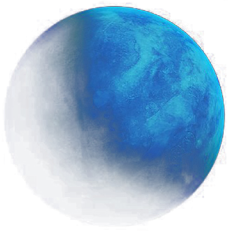
You can use these templates, backgrounds, and accents to build your own outer space themed pages for your yearbook. More accents and backgrounds available online.











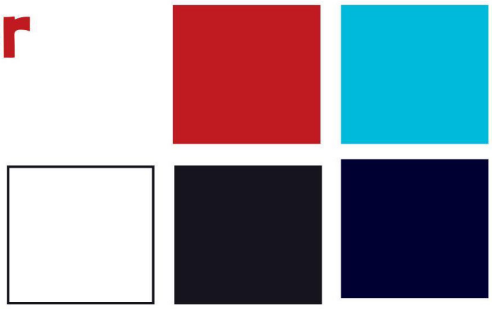
PATRIOTIC THEME

Londrina Solid Header

Sue Ellen Francisco Subhead

Port Slab Body Text

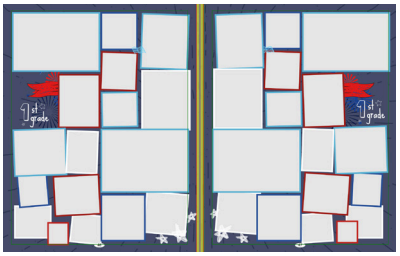
Port Slab Caption Text

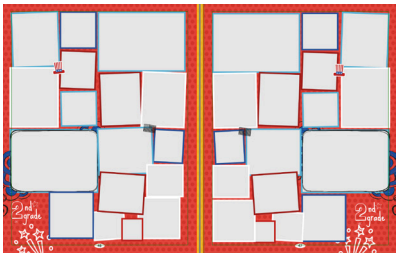


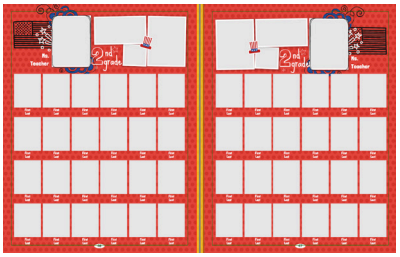
Show your spirit with red, white and blue! You can find our Patriotic templates by searching "**patriotic**" or navigating to **dsp art> templates> patriotic**.

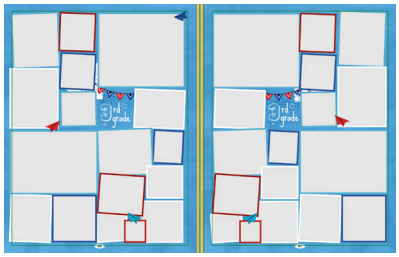
Create your own templates using patriotic colored accents and backgrounds included in Pictavo.

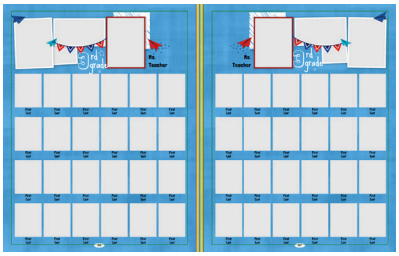
PATRIOTIC THEME

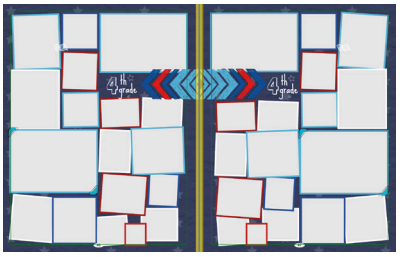


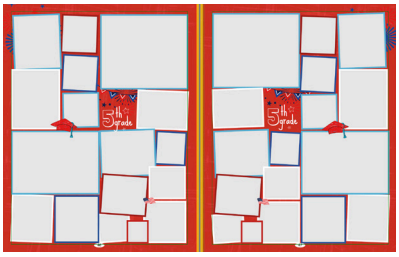


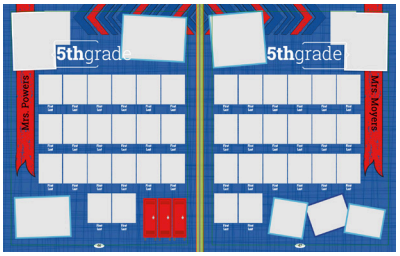


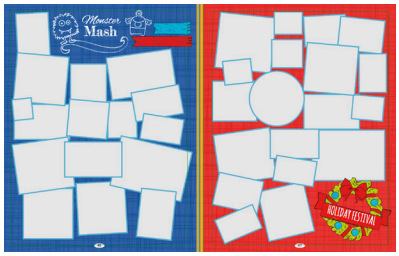


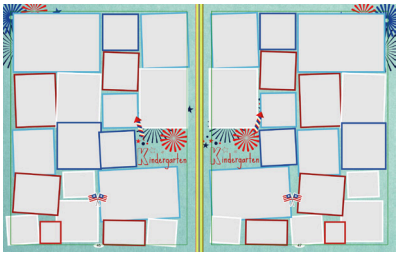












STORYBOOK THEME

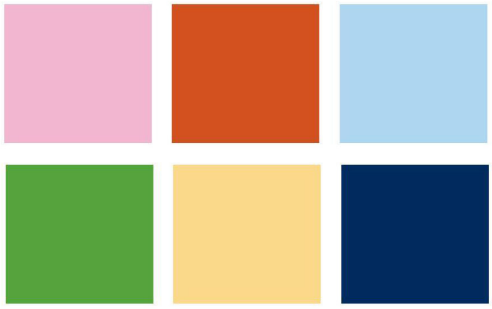
HIRD GRADE

SANCREEK HEADER

Old Standard TT Subhead

Lato Body Text

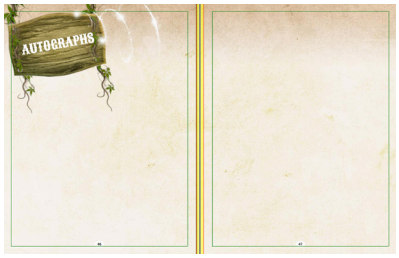
Lato Caption Text



Tell your school's story with the storybook design elements. Use these assets, backgrounds and templates to create your storybook themed yearbook. You can find these templates by searching "**storybook**" or navigating to **dsp art> templates> storybook**. Find assets by navigating to **dsp art> accents> storybook**.

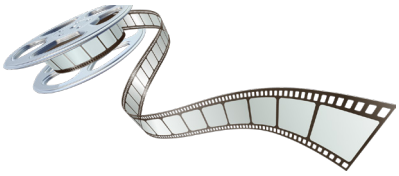
STORYBOOK THEME

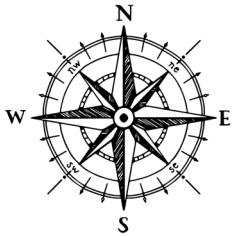
You can use these templates, backgrounds, and accents to build your own storybook themed pages for your yearbook. More accents and backgrounds available online.



OTHER DSP ACCENTS

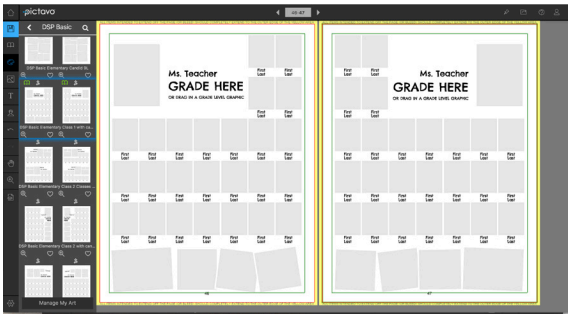
You can use these accents to build your own themed pages for your yearbook. Find additional accents by navigating to **dsp art> accents** and finding the themed folders.

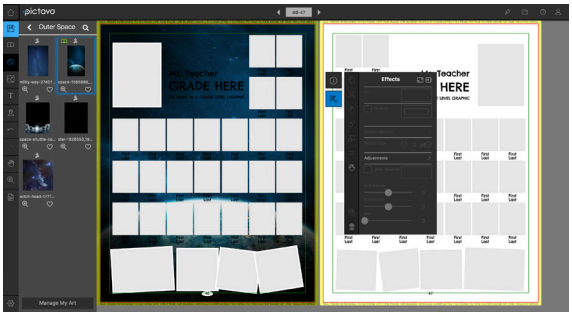




USING BASIC TEMPLATES + DSP ART

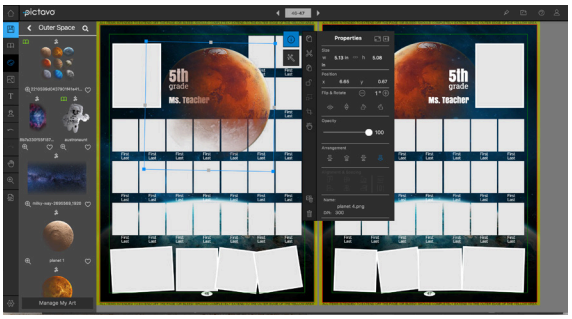
To use our art with the DSP Basic templates, you first navigate to a blank page in your yearbook. You can then, go into design mode and search “DSP Basics” in your search bar. Choose a template that works with your ladder plan and drag the template onto your page.

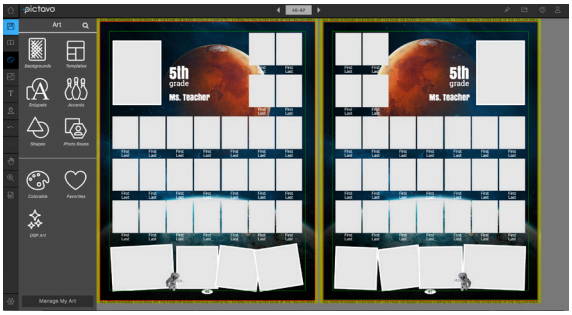




Now you can begin adding backgrounds and changing fonts to match your yearbook theme. In this example, we have chosen to re-create the outer space theme. We navigated to dsp art> backgrounds>outer space and dragged on a space themed background.

After adding the background and changing the fonts and colors to match our theme, we can now begin adding design accents to our spread. We have chosen a planet to put in the background of the layout. You can see the button “send to back” is in blue on the properties toolbar.





Lastly, we added a little astronaut on the bottom near the candids to enhance the space theme in our layout. Now this page is ready for teacher and student portraits.
